

KeyBox Upgrade and Exchange

Hello GA MLS Agents!

The new lockbox is coming your way October 18th! A system to make your life easier:

Here's where and when:
North Atlanta Trade Center
1700 Jeurgens Court
Norcross, GA
(Over for appointment schedule and times)

- Use an approved cell phone as your key
 - No cradling required!
 - Update codes any time or place
 - Phone, key, PDA in one tool
- Expanded choice of PDAs and phones to access the iBox
- Easier to use lockbox
 - Infrared point-and-beam to open and read
- Have the information when you need it most—when you're with your client
- Optional web-based tools available to manage your keybox information
- Three service options available. Choose one to lighten your REALTOR® tool belt.
 - eKEY Professional
 - eKEY Basic
 - DisplayKEY

For more information on this exciting new box, check out www.supraekey.com/atlanta.

Questions?

Do I need to come to this event?

Yes, to exchange lockboxes, sign updated paperwork (eKEY users) and to learn about the new wireless options available to you!

What do I bring?

1. Any old, gray keyboxes assigned to you.
2. Your current key and PIN code.
3. Your photo I.D.
4. eKEY/phone/PDA for the most current applications to be added to your device.

What's the cost if I upgrade to a new device/service?

Nothing! For now, eKEY users, both Basic and Professional, will receive free service through November 30. **Get Basic for the same price as a DisplayKEY!**

If you have a DisplayKEY and want to upgrade to an eKEY remember to bring your DisplayKEY, cradle and new device to the event. You'll need to complete new eKEY paperwork and present one of these credit/debit cards for ongoing monthly payments (VISA, MasterCard, American Express, Discover and debit cards with the VISA/MC logo).

What are my device options?

The enclosed Supra certified device list provides the names of all devices currently certified to work with the eKEY. Remember to bring in your eKEY shell and cradle, or DisplayKEY and cradle, if you're going to upgrade to a PDA or smartphone.

Important: Make sure your device is fully charged and backed up before bringing it in.

I'm choosing eKEY Basic or eKEY Professional. Can I use the PDA I already own?

Absolutely, providing it's one of the devices Supra supports and has enough memory to install Supra applications. Check the enclosed flyer for a list of supported devices. If you're still uncertain, call Supra support: (877) 699-6787.

• Bring your fully charged PDA so we can load the new applications.

• Verify your PDA has a minimum of 8 MB of memory available for Supra applications.

• **Before you arrive, perform a HotSync. Supra cannot back-up PDAs. Very important: If you fail to HotSync before you arrive you run the risk of losing all of your currently saved information! Make sure to HotSync on your home or work PC.**

More Questions?

Can I buy a device at the exchange?

Yes. Supra will offer the Zire 31 during the exchange only for \$149 plus tax. Be sure to find out how you can qualify for a \$50 rebate on a Zire 31. On the web, go to www.supraekey.com/atlanta.

How do I get boxes?

We will exchange your boxes on a one for one basis through Oct. 29th. The one for one exchange will be discontinued after this date.

Do I just show up?

We simply can't process everyone at once therefore we'd appreciate your coming during the scheduled day/time listed in the appointment schedule. Appointments can take up to two hours. You can trade appointments with someone if you'd like.

Choosing Wireless eSYNC? Please read.

If you elect to Sync your device wirelessly you will need data services. Your wireless carrier offers data service plans on various rates. Some carriers will even allow you to use minutes from your talk plan. Make sure data services are included in your plan. You need a minimum of 16MB on your device for Supra's applications to download wirelessly.

Important: Go to the website at www.supraekey.com/atlanta to review and accept the new contract changes. It will be assumed that those who don't have accepted the new terms and conditions.

For questions regarding appointments, please call 800-842-8268.

Training

On-site eKEY training will be available for agents who upgrade, new agents, and anyone wanting to learn more about the features of the new iBox.

Appointment Schedule

Find where your last name falls alphabetically and you'll see when to show up. (Example: Julia Roberts is in the "RHOD - ROBE" category so she would come on Thursday, October 21st at 11:00 a.m.)

Time	Monday October 18th	Tuesday October 19th	Wednesday October 20th	Thursday October 21st	Friday October 22nd
